ANNEX-1-PROPOSAL ON PROFIT DISTRIBUTION

At the meeting of our Board of Directors dated 27.03.2026; regarding the accounting period between 01.01.2025 and 31.12.2025 of our company, it has been determined that:

- i. According to the independently audited financial statements prepared on the basis of Turkish Financial Reporting Standards ("TFRS") in accordance with the Capital Markets Board's "Communiqué on Principles Regarding Financial Reporting in Capital Markets" numbered II - 14.1, the net distributable profit for the period is TRY 820,434,249,
- ii. According to the legal financial statements prepared in accordance with the provisions of the Tax Procedure Law ("TPL"), the net distributable profit is TRY 736,067,740 ; furthermore, although there are prior years' losses amounting to TRY 1,053,924,990 arising from the inflation adjustment as per the TPL-based financial statements, there is a sufficient amount of Inflation Adjustment Differences related to Equity Accounts covering the total amount of TRY 1,053,924,990. Within this scope, based on the financial statements prepared according to the TPL records, the net distributable profit amounts to TRY 736,067,740,
- iii. In accordance with Article 519, paragraph 1 of the Turkish Commercial Code, the general legal reserve to be set aside at the rate of 5% has reached the limit of 20% of the paid-in capital in the statutory records. Therefore, no general legal reserve will be set aside for the year 2025 under this provision,

Taking into account the above-mentioned matters, regarding the distribution of our Company's profit for the fiscal year 2025, and in accordance with the Capital Markets Legislation, the provisions of the Articles of Association, and our Profit Distribution Policy, it has been resolved that the following profit distribution proposal be submitted for the approval of our shareholders at the Ordinary General Assembly Meeting to be held for the year 2025:

- 1.To distribute a cash dividend in the total amount of 600,000,000 TRY, corresponding to 571% of the Company's issued capital,
- 2.According to the financial statements prepared in accordance with TFRS, the total cash dividend of TRY 600,000,000 to be paid to shareholders will be covered from the net distributable profit for the period, with the remaining amount to be transferred to retained earnings
- 3.According to the legal records prepared in accordance with the provisions of the Tax Procedure Law (TPL), in compliance with the tax regulations, not to make any offsetting among the equity items arising from inflation adjustment; to cover 600,000,000 TRY of the total cash dividend from the net distributable profit for the period, with the remaining TRY 136,067,740 to be transferred to the extraordinary reserves account,

4.To pay dividends in cash at a gross rate of 571% per share with a nominal value of 1 TRY, and to pay dividends to our full taxpayer real person shareholders and our limited taxpayer real and legal person shareholders at the net rate calculated after deducting the withholding tax rates stipulated in the tax laws,

5.To start the dividend distribution on May 6, 2026

ANNEX-2 REMUNERATION POLICY FOR THE BOARD OF DIRECTORS AND SENIOR MANAGERS

This policy document defines the system and practices for remuneration of our Board members and top-level managers assuming administrative responsibilities under the scope of the CMB regulations.

The wage management in Eczacıbaşı Group is essentially based on determination of the wages considering the employees' education levels, competencies, performances and market values. In this context, market wage surveys are performed every year by the Human Resources Group Directorate of Eczacıbaşı Group including also our Company; and each company's wage structure is compared considering the companies out of the Group and as a result, the senior managements of the companies are duly informed. Since all information related to wages is considered private and personal, confidentiality is essential and our employees are requested to pay attention to this issue.

The Company's performance-based remuneration plans cannot be used for remuneration of the independent board members. Independent members of the Board of Directors are paid such remuneration determined in accordance with the decisions of the General Assembly.

Payments are made to executive members, Chairman and Vice-chairman of the Board of Directors in the scope of a policy established for senior managers as set out in further detail below.

The Board members can be paid a remuneration due to the services they render and commensurate with their performances and positions provided that they are at the same time employees, and are paid on a pro rata basis considering their period of service as of the dates of appointment to and resignation from office; and the costs and expenses incurred by the board members (expenses such as transportation, telephone, insurance, etc.) due to their contributions to the Company may be borne by the Company.

The key management personnel wages are comprised of two different parts such as fixed payments and performance-based payments.

Our remuneration policy is arranged and applied considering the wage and fringe benefits management; and the fair, objective, and competitive criteria appreciating, rewarding and motivating high performance.

Our remuneration policy is based on the concepts of volume of business, performance, contribution in the activities, knowledge/skills and competencies; and aims recruitment and retention by our Company of the workforce with desired qualifications that will allow for establishment of intra-company and inter-company wage balance and the market competitiveness, motivating the employees and increasing their loyalty and achievement of our company's objectives.

The Job Family Model that we apply under the structure of our Company is based on an objective system; in this model, the roles in the organization, the basic responsibilities,

knowledge/skills/experience and competencies and performance indicators are defined and the fixed wages are determined accordingly.

The Variable Wage Management, which is similarly applied in our Company, aims to reward success and to encourage our employees to display superior performance and to completely establish target-oriented performance culture in our company in order to achieve our Company's budget targets and to support the achievement of business results exceeding such targets.

The "fringe benefits" intended to support the wage management with additional benefits are taken as an important integral part of the total reward management; and the fringe benefits that we provided as a company are at arm's length and also bear the competitive and equitable characteristics.
